

Remarks

Claims 1, 4 and 5 that were rejected have been cancelled. Claim 2 which would be allowable if rewritten in independent form including all of the limitations of Claim 1 has been re-presented as Claim 9 and Claims 3, 6, 7, and 8 depend therefrom.

New Claim 10 only differs from Claim 9 by calling for a "plurality of rotatably mounted rollers".

It is respectfully submitted that the application is in condition for allowance and such action is solicited.

Respectfully submitted,
